We use the central address you provide like a pin point in a map, then create a list of the closest 100-200 merchants by distance and move your wishlist merchants to the top of the list. We do NOT call only the wishlist merchants and then wait until they get back with us (your card would never get finished if we did). 15 to 20% of merchants will provide an offer. We cannot guarantee the participation of any merchant. **We reserve the right to determine final merchants and card design.**

List your local wishlist merchants (excluding national merchants). This is a great place to include your favorite eateries, hair care, hardware, Auto Care, and others. Include known owner's names 1. 2. 3. 4. 5. 6. 7. 8. 9. 10. 11. 12. 13. 14. 15. 16. 17. 18. 19. 20.
